

MGET Fellowship Award Competition for Spring 2006

The *MGET Fellowship Award Competition* will provide a six-month stipend of \$11,500 beginning January 1, 2006. These awards will include full tuition (half paid by MGET, half by the Graduate College) and cover all standard fees for Spring 2006. All MGET PhD students whose two-year MGET fellowship support will have concluded by January 1 are eligible to apply. *Please note that these awards cannot be deferred to a later time period.*

Criteria for Evaluation

The fellowships will be awarded to students with strong graduate records who have met both MGET and major program timeline requirements for academic and training requirements. (These requirements will vary for students depending on their major program and year of graduate study.)

Application Procedure

To apply for an *MGET Fellowship Award*, please provide the following:

- Cover sheet
- Statement describing research goals and progress to date, as well as career goals (3 page maximum)
- Current curriculum vitae (including any publications)
- Record of coursework completed at Iowa State University and grades received (Access+ printout is acceptable)
- Recommendation letters from both co-major professors (emailed statements are acceptable, sent to mget@iastate.edu)

Completed applications must be received by the MGET office (1035B Carver Co-Lab) by **4 pm November 11, 2005**. Applications (including recommendation letters) also may be faxed to 294-7155 before the deadline.

Awards will be determined by a review committee. Multiple awards are anticipated. Announcement of the winners will be made by December 3, 2005, with funding to begin January 1, 2006.

Questions should be directed to Kathy Wiederin (294-7937, kmw@iastate.edu) or Chris Tuggle (294-4252, cktuggle@iastate.edu).
